Blanket Washing

Blankets are machined washed and line dried. Since they are not run through the dryer, I cannot guaranty 100% hair removal, but they will be clean. We only offer washing and repairs; we are unable to waterproof.

Prices:

\$22 for blankets up to size 78

\$28 for blankets size 80 and larger

10% discount on 10 or more blankets

Repairs are offered by Larkins in Marshall. We can drop/pickup, but pricing is done by them.

***Extra charge for extremely dirty blankets that need an extra wash

***We can do local pick-ups/drop off depending on the number of blankets

***Also have a 24-hour drop-off/pick-up location in Haymarket and Winchester
